[en] Europrofili, your partner.

For more than 40 years we have been by the side of the specialists in the field of wood fixtures, in Italy and worldwide. We are market leader thanks to our long-term experience and our four main product lines: wood/aluminium and wood/bronze cladding systems, aluminium shutters, aluminium front doors panels, drip trays, thermal brake sills and gasket. The working activity takes place in the branches of Ospitaletto (BS) and Legnago (VR) and employs more than 90 people in a covered surface of 23.000 m2.

Certified Quality.

The achivement of ISO 9001 and ISO 14001 certifications grants the highest degree of proficency we obtained in both organizaton and production management. We offer to our customers the chance of using our Cascading contract to certify their wood/aluminim products.

[de] Europrofili, ihr Partner.

Wir sind seit über 40 Jahren an der Seite von Fachleuten der Fensterbauer in Italien und auf der ganzen Welt. Dank pünktlicher und strukturierter Dienstleistungen, kombiniert mit vier Produktlinien: Holz-Aluminium / Bronzesysteme, Aluminium-Fensterläden und Klappläden, Haustürblätter, Regenschutzschienen und Dichtungen, wir sind Marktführer. Das Unternehmen beschäftigt 90 Mitarbeiter auf aeiner bebauten Fläche von 23.000 m2 in zwei Firmensitzen Ospitaletto (BS) und Legnago (VR).

Zertifizierte Qualität

Die Zertifizierungen ISO 9001 und ISO 14001 garantieren hohe Qualitätsstandards für organisatorische und produktive Geschäftsprozesse. Nur so können wir denjenigen, die sich für unsere Produkte entscheiden, die Möglichkeit bieten, den Kaskadenvertrag für die Zertifizierung von Holz-Aluminium-Fenstern unserer eigenen Produktion zu nutzen.

Europrofili, il tuo partner.

Siamo al fianco dei professionisti della serramentistica in legno da oltre 40 anni, in Italia e nel mondo.
Grazie a servizi puntuali e strutturati, uniti a quattro linee di prodotto: sistemi in legno alluminio/bronzo, persiane e scuri in alluminio, pannelli per portoncini, gocciolatoi e guarnizioni.

Qualità certificata.

Le certificazioni ISO 9001 e ISO 14001 garantiscono alti standard qualitativi per i processi aziendali, sia organizzativi che produttivi.
Solo così possiamo offrire a chi sceglie i nostri prodotti la possibilità di usufruire del contratto di cascading per la certificazione dei serramenti legno alluminio di propria produzione.
